

Public Health
Prevent. Promote. Protect.

Butler County
General Health District

Butler County is currently leading the state in cases of *Hepatitis A*

Vaccination provides the surest way to prevent the disease

High risk groups in particular should get vaccinated: IV and other illicit drug users including marijuana users, those incarcerated or recently in jail, those experiencing homelessness, and men who have sex with men. This includes those who work with these high risk groups. Others who want to be protected are also encouraged to get vaccinated.

Where can I get a shot for Hepatitis A?

- Your own doctor or primary care provider
- Primary Health Solutions
- Local pharmacies: Kroger, Walgreens, CVS, Meijer, Walmart, etc.
- Retail clinics: Kroger Little Clinic, etc.
- Urgent Care Offices
- Butler County General Health District (513-863-1770), if you have no insurance or other barriers.

****Please call for pricing, accepted insurances, and availability of vaccine****
